Cemetery Announces

New Website Features

LIVE NOW

Remember My Journey

Families and friends can commemorate their loved one's life rather than their passing by using the Remember My Journey feature. Family and friends can add to a person's wonderful experience by creating a timeline that includes recollections, images, movies, and more. This allows the

person to reflect on a journey well lived.

- RECORD MEMORIES ABOUT ALL AREAS AND ASPECTS OF A PERSON'S LIFE.
- CAPTURE PHOTOS AND VIDEOS. BUILD BEAUTIFUL MEMORY TIMELINES.
- CONNECT WITH FAMILY AND FRIENDS IN THE MONTHS AFTER THE SERVICE.
- DIRECTLY INTEGRATES WITH THE CEMETERY MANAGEMENT SOFTWARE.

Virtual Walking Tours

The cemetery serves as an outdoor, living museum. This feature allows St. Paul's to create walking tours with historical individuals, foliage, and other intriguing property characteristics to showcase the beauty and history. When visiting the cemetery in person, visitors can use their mobile devices to navigate the tour or take a virtual tour from the comfort of their homes.

VIRTUAL TOURS WILL BE AVAILABLE BY APRIL 15TH
